Tanzifco Express Grows in Strength

Tanzifco Express under Tanzifco is expanding as its teams grow in numbers. It has to its credit many prestigious clients across the government and private sectors; meeting one time job requirements efficiently.

Tanzifco has been in the Middle East region providing soft services since 1963. The organization has grown from strength to

strength over the last 52 years and more so since 2003 in the United Arab Emirates.

“Valuing the needs of our customers and to address them with a quick turnaround time, Tanzifco Express offers specialized cleaning and allied services. This includes IRATA certified rope access team, skilled and qualified cradle & scaffolding cleaners, janitorial team, pest control operators and a maintenance team as well under TNZ Maintenance,” says Mr. Ali Deryan, General Manager, Tanzifco.

In spite the fast paced demands of the market, Express is able to cater to the varying kinds of cleaning tasks as per international standards with trained candidates.

Editor's Note

It has been a fulfilling experience with the launch of the first edition of Seerat and we would like to thank each of our readers for the encouraging feedback. The second issue witnesses the commemoration of significant dates in the diary such as World FM Day, World Environment Day & Earth Hour and the activities thereof. Further, we have successfully mobilized the new contracts mentioned in the last issue - Oman LNG, Sheikh Khalifa Medical Hospital & Corniche Hospital and continue with the smooth flowing operations with regard to the Ministry of Health, Dubai. Recently, we received noteworthy media coverage in The National newspaper - Ramadan story featuring our Senior Supervisor, Mr. Alamgeer Khan and in the magazine, FM Middle East - Under the Big Umbrella featuring our General Manager's interview regarding Tanzifco & CFM. Tanzifco shared an evening of Iftar with its employees and their families during the Holy Month of Ramadan

For another year in a row, Tanzifco Emirates L.L.C. celebrated Iftar with its employees and their families. The grand Iftar evening was organized at Al Khaima Arabic Café, Dubai Marine Beach Resort & Spa and was attended by the staff with their families on Thursday, 9th July 2015.

“During this Holy Month, we at Tanzifco, get together for our traditional annual gathering. Ramadan is a time for profound inward reflection and compassion for others. It is also a time to strengthen ties and the Iftar celebration gives us an opportunity to bond with our precious employees and associates across all nationalities,” states Mr. Ali Deryan, General Manager, Tanzifco.

In the true spirit of Ramadan, the evening stood as a witness to the bonhomie and warm cheer spread across the gathering. Tanzifco has been hosting Iftar to express the company's gratitude towards its employees and its business associates.

CFM reiterates the significance of sharing knowledge for healthy competition as it celebrates World FM Day

CFM Facilities Management Services L.L.C. celebrated World FM Day on 10th June 2015 by being a part of a live Webinar hosted by IFMA, drawing attention to the important role of facility management in building organizational performance. The webinar served a wide range of topics related to FM including Technology, People, Property and Process.

World FM Day is an initiative to celebrate the importance of the FM profession. It aims to raise the FM professional profile around the globe, promoting facilities management ideals, not only within the profession and industry, but also among governments and the general business community.

“A global event of this stature is the perfect place to share information and experiences & challenges as well as learn in the spirit of healthy competition to the benefit of the industry as a whole,” said Mr Ali Deryan, General Manager - CFM.

Tanzifco supported World Environment Day with a week long campaign on environmental awareness within the Organization.

An environmental awareness campaign was organized by Tanzifco through the week prior to 5th June 2015 which marks World Environment Day. The Health, Safety, Environment and Quality (HSEQ) Department embarked on an awareness campaign for all its employees at all levels.

The staff at the managerial and non-managerial level participated in presentations and discussions to draw attention to the importance of conserving and protecting our environment. Further, posters were put up at strategic locations to reiterate the significance of environmental protection.

Tanzifco re-affirms its commitment to CSR initiatives through the Earth Hour

In keeping up with its commitment to provide a better and safer environment, earlier on in the year Tanzifco also participated in the Earth Hour on 28th March 2015 from 8:30 PM to 9:30 PM by turning off the lights across offices and staff accommodation for further raising awareness on the need to halt global warming and protect the environment.

Tanzifco participated in the Earth Hour, a global event created to bring all humankind together to fight the climate change specifically through Lights-Off Campaign.

Through Earth Hour we hope to bring the energy saving and recycling concepts into the daily lives of the public. For a brighter future, we must work together towards the sustainable development of the planet. Our participation is an attempt to be a part of this global campaign to better the environment and preserve our resources.
